

PTO Meeting Minutes
November 11, 2010

Treasurer's Report - There is a balance of \$39,275. This includes profit of \$20,853 from the carnival.

Carnival Update - The silent auction raised \$11,400 this year (included in carnival total above). Volunteers are needed to shadow carnival chairs. This will be on the PTO Volunteer Sheet in the Spring.

Elementary School - Mrs. Edwards talked about kindergarten enrollment and an idea for easing the kids into the school year.

Middle School - Mr. Billings was not able to attend the meeting.

Teacher/Staff Thanksgiving Gifts - There was discussion about who we give money to and the amounts. We all agree that thanking teachers is an important function of PTO. We also talked about the teacher supply closet and how we need to ask for more donations. The donation form will be emailed in December and at the end of the school year.

Cathryn Partlow, HS Teacher Associate who works with 23 at risk kids - Cathryn asked for funds to take her students on a field trip to the science center. There is a Da Vinci exhibit and IMAX show on the Hubble telescope. PTO approved the \$157.50 that she requested for admission. Mr. Fisher agreed to cover transportation costs.

Magnets - There are about 20 magnets left and they will be available for sale at the HS office. When all are sold, profit from the magnets will be about \$600.

Sunny D Labels - Megan will continue collecting labels even after this contest ends. She will save them for next year's contest. She reminded us that it needs to be the WHOLE label, not just the code.

The next meeting is Thursday, January 6, 2011.
