**Mentor/Beginning Teacher Interactions Contact Log**

**Mentors:** 1) Please maintain this interactions contact log for you and your beginning teacher. 2) Make copies of the completed log for first-year and/or second-year teachers to use as data/evidence in preparation for Comprehension Evaluation. 3) Document at least 10 hours each semester. 4) Save a copy for your file.

Mentors are encouraged to meet with beginning teachers each week throughout the year. List standards and issues discussed in the comments column and briefly describe ideas and practical applications generated during interactions. Duplicate this page as needed.
