

Semester Test Days- December 2011
Tuesday, December 20 and Wednesday, December 21

Students that are in good standing (all detentions served and all fees paid) will have Open Campus privileges on Semester Test Days. Band, Choir and PE will not meet. If a student is in the building when they do NOT have a test, they will be in the commons study hall (they will be allowed to check out to the LMC from the study hall)

Students will report to their test on time and will remain in the classroom until completion of the testing period. Students will bring materials to work on or a book to read if necessary upon early completion of their tests.

For students who have four tests in one day they may move a test to the other testing day. The student must meet with Mr. Fisher to change a time of a test.
